DEVELOPMENT UPDATES

We remain committed to the future of Chrip Street Market and the delivery of a vibrant place to live, work, and visit. Chrip Street Developments Limited is the landlord and Telford Living is the developer bringing forward the planning application for Chrip Street Market. We have partnered with local housing association Poplar HARCA to deliver much-needed low-cost affordable homes, bringing our new vision for Chrip Street to life. Our recent Co-Design workshops were a huge success with great ideas brought forward by the community. We look forward to engaging with you at the Summer Saturday events and keeping you involved and up to speed with our plans.

ESTATE WORKS

Toilet works are now complete and will be opened to the public in July. There is one female toilet and one gender neutral toilet.

The former ShoeZone Unit will now be used as a community space, we invite you to express your ideas on the most beneficial use of the space.

We are also working on securing the hoarded sites with fencing and netting to further ensure your safety.

PARKING

Fitzgerald Car Park is now closed to shoppers because of works to Fitzgerald House but remains open for shop deliveries. We are currently working on updating the signage to avoid confusion.

Shoppers can park in the hoarded areas B & C, off Chrip Street, with a parking time limit of up to 90 minutes. More updates on this as Fitzgerald House works progress, with safety being our number one priority.

COMMUNITY CALL OUT

With the Summer Saturdays around the corner, and more events planned, we are looking for local musicians, entertainers, creative workshop facilitators, and event suppliers who would like to take part. Our priority will always be to engage talent from our community.
